## 24 CFR Subtitle A (4–1–16 Edition)

### Subpart D—General Policy: Environmental Review Procedures

#### § 50.18 General.

(a) The Departmental Environmental Clearance Officer (DECO) shall establish a prescribed format to be used to document compliance with NEPA and the Federal laws and authorities cited in § 50.4. The DECO may prescribe alternative formats as necessary to meet specific program needs.

(b) HUD may, from time to time, complete programmatic reviews that further avoid the necessity of complying with the laws and authorities in § 50.4 on a property-by-property basis.

[61 FR 50916, Sept. 27, 1996, as amended at 79 FR 49228, Aug. 20, 2014]

#### § 50.19 Categorical exclusions not subject to the Federal laws and authorities cited in § 50.4.

(a) *General.* The activities and related approvals of policy documents listed in paragraphs (b) and (c) of this section are not subject to the individual compliance requirements of the Federal laws and authorities cited in § 50.4, unless otherwise indicated below. These activities and approvals of policy documents are also categorically excluded from the EA required by NEPA except in extraordinary circumstances (§ 50.20(b)). HUD approval or implementation of these categories of activities and policy documents does not require environmental review, because they do not alter physical conditions in a manner or to an extent that would require review under NEPA or the other laws and authorities cited at § 50.4.

(b) *Activities.* (1) Environmental and other studies, resource identification and the development of plans and strategies.

(2) Information and financial advisory services.

(3) Administrative and management expenses.

(4) Public services that will not have a physical impact or result in any physical changes, including but not limited to services concerned with employment, crime prevention, child care, health, drug abuse, education, counseling, energy conservation and welfare or recreational needs.
